Paddock Polo

Paddock polo as structured by the FFP is a simple and fun practice of polo typically using minimally groomed fields, and, or, the sand arena, and the large plastic, or rubber air ball.

This is a great way to get started with the sport of polo and it is also very well adapted for kids given the slower speed.

Sessions take place on Thursdays at 7pm.

Annual membership:

Adult: €600, Kids : €300

Groupe session €80, private session €150.

Note : Paddock Polo need its own FFP Licence.
